

THE ICE HOCKEY CAFE

 @cafe103_shimla

Dear esteemed guest!

Welcome to Cafe 103, a unique ice hockey-themed cafe in Shimla. This is the oldest town in Southeast Asia to have had a natural ice skating rink since 1920!

As a third-generation ice hockey player, I welcome you to our family's establishment. Our love for ice hockey goes back to the 1960s, a passion deep in our blood. The State jersey you see on the mannequin holds a very special place in our hearts, adorned with signatures of national and state-level players.

At Cafe 103, we strive to promote the growth of ice hockey throughout the country. We take pride in offering a unique experience to our guests, and we hope your time spent at Cafe 103 will be memorable. Our team is dedicated to providing exceptional service to make your dining experience unforgettable while savouring the breathtaking views of Shimla.

Thank you for choosing Cafe 103.
